Hi Shari,

Please accept this email as technical direction to review the Arroyo Grande AE for completeness, complete the review checklist and note any missing or outstanding items, and flag any issues for EPA that may limit our approval of the exemption. I will get you a copy of the disk that was submitted to EPA Region 9. Can you email Michele Dermer your mailing address so she can send you a copy? For now, all of the documents have been posted on DOGGR's website above. If possible, can we have this completed by Friday, February 19?

Thanks,

Lisa
